- Special Mirror Reflector for Long Throw.
- Front Glass Encased in Polished Aluminium Frame for Protection from Moisture, Heat etc.
- Polished MS wire-guard for easy Unlocking of Frame.

LED Showroom Light

Specification :

- CDM Based Light.
- Suitable for Professional Showroom.

1000W Fresnel Spot Light

Specification :

- Robust, Circular Shape, Steel housing. Black Epoxy powder Coated. Fitted with Die-cast Components.
- Heavy duty G22 or GX9.5 Lamp Socket.
- 150mm Convex Fresnel Lens.
- Spherical specular high purity anodized aluminium reflector.
- PVC Insulated 3 Core 1Sq.mm. Copper Cable (3 meters).
- Weight:4.3kgs.

1000W Halogen Flood Light

MR 100 FLD

Specification :

- Robust Steel Housing.
- High Quality Epoxy Black Powder Coating.
- RS 7 Base Lamp Sockets. In Brass Housing.
- Specially Designed High Purity Anodized Aluminium Reflectors.
- PVC Insulated 3Core 1Sq.mm Cable.
- 10 Amps. Double Pole Toggle Switch.
- Weight - 3.4 Kgs.

Multi10/Multi20

Specification :

Multi10 :

- 1000W Portable Light
- Weight: 4kg

• Multi20

- 2000W Portable Light
- Weight:5.6kg

Drop Down Extender

Specification :

- Die Cast Aluminium Holders.
- Available Sizes : 12" - 16" , 16" - 24" , 22" - 36" ,
22" - 48" , 38" - 96" , 57" - 144" .

MI G38 Base Socket

Suitable For G38 Based 2000W/5000W Lamp

Specification :

- Powder Coated Aluminium Die Cast Housing.
- Heavy Duty Brass Contacts.
- DMC Insulation material .

MI G22 Base Socket

Suitable for G22 Base 650W and 1000W Lamps.

Specification :

- Powder Coated Aluminium Die Cast Housing.
- Heavy Duty Brass Contacts.
- Heat Resistant And Insulation Ceramic.

MI GX 9.5 Socket

A long lasting, durable and Superior quality lamp socket, used for GX 9.5 base 1000W lamp.

Specification :

- Aluminium Housing. (Powder Coating)
- Superior Quality Ceramic Base.
- Beryllium Copper Contacts, giving higher efficiency.
